Fenton Hereford Ranch Commercial Heifers

These 100 fancy heifers are all home raised outside of 15 top heifers from Anquist Hereford Ranch. Anquist's have used exclusively Fenton Herd Sires for the past 35 years. They are bred to easy calving Hereford bulls due to start April 15. The Anquist heifers can be as early as April 1. They have all been ultrasounded safe in calf and ivomeced as of Oct 15. They will sell in Lots of 5. Video of these heifers can be found at DLMS or fentonherefordranch.com
